## Control GR-010

### GR-010. A. Change to read:

**4. A Rule Book Change cannot be voted on by the Board of Directors until it has passed in the proper Standing Committee at Workshop. If passed in the Standing Committee, the Rule Book Change**

**Proposal will be published for Membership review. The Board of Directors, after receiving input from the Membership, will then vote on the Rule Book Change proposal at the next Convention. If a Standing Committee does NOT pass a Rule Book Change Proposal, the change is stopped from further consideration for that calendar year. (See exception below.)**

### 5. **Exception/ Overriding a Standing Committee Vote:**

A Rule Book Change that was defeated **or tabled** in the proper Standing Committee may be brought out of the Standing Committee by presenting a petition, signed by **thirty-five (35) eligible directors**, to the APHA President.

a. The petition, once determined to be in proper order, brings the defeated or tabled Rule Book Change to the floor of Workshop for debate. After hearing the Standing Committee's reasoning for defeating or tabling the Rule Book Change, and listening to views from other directors, the Board will vote to support the Standing Committee's vote, or to override their vote. If the Board overrides a Committee's vote, the Rule Change Proposal will follow the same process/procedures as if the Standing Committee had passed the Rule Change Proposal.  
(See GR-010.A.4 above.)

b. A petition form is available from the secretaries at the Workshop and must have a copy of the Rule Book Change Proposal being petitioned out of Committee attached to it.

c. This petition must be presented to the President at the same Workshop that the proposed Rule Change Proposal was defeated **or tabled** in the Standing Committee and before the proposed rule changes are read in the Committee Reports for amendments.

6. If a Rule Change Proposal passes in the Standing Committee, **or a Committee's vote is overridden by the Board as outlined in GR-010.A.5 above, the Committee Chair of the relative Standing Committee** will then read the proposed Rule Book Change to the Board of Directors in the Committee Report. The proposed Rule Book Change is thus on the floor and subject to amendment by a member of the Board of Directors.

a. Amendments must be significant improvements on the proposed change to avoid confusion, add clarity and/or to remedy potential confusion for the membership, judges and/or exhibitors.

- b. The Rules Committee has been given authority by the Executive Committee to interpret any and all rules in the Official Rule Book, and to determine whether any change is a clarification, a rule change, and/or or a change of intent.
- c. **The proposed amendment to the Rule Book Change will be returned to the Rules Committee** to determine whether there is any change of intent in the proposed amendment and for review of proper and/or legal wording. The Rules Committee cannot change the intent of the Rule Book Change if amended **nor can an amendment be allowed if it is deemed a change of intent.**
- d. The propriety of any amendment will be **finally** decided by the Presiding officer or Parliamentarian based upon the Rules Committee recommendation **that it does not constitute a change of intent.**
- e. **If the amendment is not a change of intent, it must be voted on at this time. Only the amendment itself may be debated.**
- f. **If the amendment is passed, the wording will be so modified and the rule forwarded for voting as rewritten. If the amendment fails, the proposed change will go forward for voting as originally written.**

**Passed**       **Defeated**
