#### **Article 308 Draw for the order of Starting**

##### **CRIs**

1. There must be a separate draw for each competition. It shall be made in the presence of the President or a member of the Ground Jury, the Technical Delegate and the Chefs d' Equipe.

##### **CRIO / Championships**

**1.** The draw for the order of starting in competitions including both team and individual competitors will be conducted in the following manner:

**2. The Chef d'Equipe of each team will determine the starting order of team members within his team. The Chef d'Equipe must deliver to the Event Director, at the latest one hour before the draw, a sealed envelope containing the order of go of the riders within his team.**

3. Numbers equivalent to the total number of starters are placed in a bag or receptacle and a draw is made, regardless of nationality, for the starting position of each of the individual competitors.

4. Then the numbers equivalent to the total number of starting teams are placed in a bag, etc. and a draw is made for the starting order for each of the teams.

**5. The starting list is made out with the individual riders placed in the positions they have drawn. The team competitors are then inserted in sequence in the remaining places.**

**6. The Starting order for the individual competition at CRIOS and Championships shall be as follows:**

**Individual Final: In reverse order of result from the Team Competition and first Individual qualifying competition. Ties will be broken by a draw to be conducted by the OC.**

It is compulsory that this number be worn by the horse or the competitor while actively competing and at any time while working in the exercise and schooling areas (from the time of their arrival until the end of the Event) so that they can be identified by all Officials including the Stewards. Failure to display this number incurs a first warning and, in the case of a repeated offence, a fine imposed on the competitor by the Ground Jury or Appeals Committee.

### **Chapter III Officials for Reining Events (Annex II)**

#### **Article 309 Duties of Officials**

1.1. At Championships, Masters Finals and Regional Games the Ground Jury must consist of five members, the President included **plus one Equipment Judge** and all Judges must be appointed by the FEI Reining Committee.

1.4. For **CRIOS**, the President and the other members of the Jury are appointed by the NF and the Organizing Committee, in agreement with the FEI, from the FEI list of Judges, two of whom must be foreign.

1.8. All Judges of a Jury must speak at least one of the official languages (**English**) of the FEI and if possible understand the other (**French**).

#### **1.10. Foreign Judge**

**At CRIOS and CRIs 3\*/4\* the President or a member of the Ground Jury will act as Foreign Judge and will be required to complete a Foreign Judge's Report. The Foreign Judge must be identified in the schedule.**

#### **1.11 Technical Delegate**

**The FEI will appoint a Technical Delegate in addition to the Ground Jury for Championships.**

~~4.1. To inspect the Horse and Equipment following each run.~~ **To inspect the Horse and Equipment prior to, or following each run.**

## **2. Veterinary Delegate:**

**2.2 Veterinary Commission. At CRIOS a Veterinary Commission is required as per FEI Veterinary Regulations. The Veterinary Commission must consist of a minimum of 2 FEI Veterinarians one of whom must be foreign. For Championships the FEI will appoint the Foreign Veterinary Delegate.**

## **Article 311 Scoring add:**

2. Ties. ~~Any~~ **All** ties for 1st place will be worked off **in CRIs3\* and CRIs4\***, using the same pattern and order of go as was used during the event, however, there will not be more than one run off. **Working off ties is optional for CRIs1\* and CRIs2\***. Any ties for 1st place will be worked off, except in the instance where added money is less than CHF 2'000.- and where both entrants have agreed to satisfactorily break the tie without the use of a run-off.

4. **Closed reins are not allowed except as standard romal reins.** Excess rein may be straightened at any place that a horse is allowed to be completely stopped during a pattern. When using a romal, no fingers between the reins are allowed. The free hand may be used to hold the romal, provided it is held at least 16" from the reining hand and in a relaxed position. Use of the free hand while holding the romal, to alter the tension or length of the reins from the bridle to the reining hand, is considered to be use of two hands, and a score of 0 will be applied, **with the exception of any place a horse is allowed to be completely stopped during the pattern.**

5.8. Balking or refusal of command where ~~pattern~~ **performance** is delayed;

14. The Ground Jury may not confer as to any penalty or manoeuvre score prior to submitting a score. If a major penalty (a penalty which results in a no score, a 0, or a 5 point penalty) is unclear, Ground Jury members will submit his/her score and ask that the score be held, pending a conference and/or review of the official video ~~at the earliest appropriate time~~ **at the next drag or as soon as practical.** Should the Ground Jury determine via conference or official video replay that a penalty was incurred, it should be applied. If, however, no penalty occurred, the score will be announced as originally submitted. No Ground Jury member shall be required to change his/her score following a conference or official video replay. Each Ground Jury member's decision is an individual call and based on individual decision from a conference or official video replay. The use of official video equipment by the Ground Jury is only permissible if the Ground Jury has reason to believe that all entries have been videotaped.

16. **Pre-check or Post-check. Organising committees have the option of using a pre-check or a post-check. When a pre-check is used, there shall be no routine post-check. A pre-check system should not be used in a single judged event. When a pre-check is used, it is strongly recommended that there be a designated area in close proximity to the pre-check judge for the checked horses to remain until they enter the arena. When a pre-check is used, the presence of fresh blood or any other evidence that any act of abuse has occurred prior to the check will result in a no score. If illegal equipment is presented at the pre-check, the competitor will not receive a no-score, if he/she is able to correct the problem without delaying the class. If a checked horse leaves the field of vision of the pre-check judge prior to showing, the pre-check judge is to recheck the horse before allowing it to enter the arena. In this system the first two horses should be pre-checked 8-10 minutes before the class begins, with all remaining horses checked when they are in-the-hole. It is suggested that the pre-check judge, as soon as the first three horses have been checked, develop the routine of checking each horse as it becomes the in-the-hole horse. This requires the judge to keep track of only two horses at any one time, the already examined on-deck and in-the hole horses. In addition, this allows each competitor time to regain composure and focus following the check, and it gives a competitor time to correct an equipment problem should one occur. Before entering the arena each horse will have a final walk around inspection. When a pre-check system is used, all officiating judges, including the pre-check judge, are compelled to call any acts of abuse to a horse while in the arena. If the situation arises where a chair judge calls a no score, the judge making the call should request that the competitor present his/her horse to the pre-check judge for inspection. If a no score is called, the competitor can accept or contest the call. If contested, the other judge(s) shall be called as soon as is practical to examine.**

**At post check,** all Competitors must dismount and drop the bridle immediately after the performance. The bridle must be dropped by the Competitor or a designated representative. The bridle must be checked by the designated judge in the arena or in close proximity to the arena. Failure to comply will result in a no score.

## Chapter V Patterns
